

CERTIFICATE FOR ALL

In light of the “Corona Crisis” we, Swiss Exams, aim to assure that all candidates have the chance of obtaining their certificate. Therefore, Swiss Exams will allow all candidates whose exam was cancelled or moved, to **re-register for the level of their choice until the end of 2021 at no extra charge.**

Post-“Corona Crisis”: Language Certificates will increase in value and will matter in the job market, particularly when unemployment is high. We saw this during the last financial crisis.

Cambridge English Certificates are recognised by immigration authorities, companies and other organisations. If students want to go abroad, their Cambridge English certificate will be an asset in different ways.

Most higher education institutions recognise Cambridge English Exams in Switzerland and abroad. Students are free to take the exam level of their choice when they need it most.

Students have now prepared for their exam, they should not lose their skills and make the best of them while still fresh in their minds.

Students now have 18 months to decide when to obtain their certificate. This leaves room for another course, further studies or even an enhanced degree.

By using the retake code, students are postponing and not cancelling their exam. Therefore, no cancellation fee will be charged.

When the student’s exam is postponed because of the Corona Lockdown, they will receive a “Corona Retake Code” which will allow them to **re-register for any Cambridge English Exam level in any location from Swiss Exams until the 31st December 2021 free of extra exam fee charge.**
